

Help Iowa Shares positively change our community

Iowa Shares is a coalition of social change, environmental and cultural nonprofit organizations throughout the state of Iowa. We make a direct impact on our communities through education, advocacy and direct service.

You can support Iowa Shares through workplace giving or direct support. Your gift, no matter the size, will make it possible for our members to protect children, families, animals, and the environment, improve the health and nutrition of at-risk citizens, strengthen human rights and promote the arts and reading.

Iowa Shares is a proud member of Community Shares USA.

SUPPORTING OUR COMMUNITIES THROUGH WORKPLACE GIVING

Cooperative fundraising through workplace giving is a low-cost, effective way to raise needed funds.

It is easy for donors to give substantial gifts by utilizing payroll deduction. It offers donors choices and increases the total amount given within the workplaces.

It provides a major portion of funding for many of the smaller organizations within Iowa Shares and augments special programs for other members.

Connecting People Who Care

Causes that Matter

Why support Iowa Shares?

Iowa Shares is a statewide federation of Iowa nonprofit organizations. We are a coalition of social change, environmental, and cultural nonprofit groups raising funds together through workplace giving since 1993. Member organizations provide direct services and create progressive, long-lasting resources in your community.

Iowa Shares is a 501(c)(3) nonprofit, and all donations are tax deductible.

What sets us apart?
